Three Decades of Outstanding Service

At Portage Personnel, we provide our customers with qualified employees. We meet the challenges of your changing environment whether supplying temporary or contract services ranging from Project Work and Work Overloads to Vacation Replacements. We have the resources and local focus needed to help you maximize productivity, efficiency, and success.

*“We’re committed to finding the **right** person for you”*

Why Choose Portage Personnel

Approximately 75% of all business expenses are related to human resources, including, benefit plans, absenteeism, recruitment, and turnover. Cost-conscious managers seek out human resource solutions that can contribute to the overall success of their organization.

As a member of your team, we focus on providing you with knowledgeable and skilled personnel. Our skills assessment and job-matching tools, coupled with close-working relationships with every applicant, allow us to identify and refer candidates who contribute to your success!

MANY SOLUTIONS. ONE SOURCE.

Office Administration	We provide employees skilled in the full range of office functions such as desktop publishing, administration, data entry and reception.
Information Technology	We refer employees with expertise in the areas of applications, programming, operations, and hardware for positions ranging from technician, systems analyst, database administrator and network design.
Permanent Placements	Portage Personnel provides a professional and cost-effective alternative to customers who need to hire full-time employees.
Partnered Payroll	Employees currently with your organization are placed on Portage Personnel’s payroll, thus allowing you to reduce the high cost of expenses associated with human resources.
